Dear Chief Door:

This correspondence reports the findings of the POST compliance inspection and audit of your agency's adherence to minimum selection and training standards conducted on March 6, 2008.

### Roster

The POST roster and agency roster are in agreement on all listed personnel.

### Selection Standards

10 background investigation packets were reviewed. The investigations were very thorough. They were consistent in quality and in formatting. All of the backgrounds reviewed were in compliance with POST selection standards.

### Training Standards

[REDACTED] are sworn officers with no Basic Certificate. It is my understanding that these have been sent for.

The Continuous Professional Training report for the last cycle has been discussed with your training staff. As always, I am available to assist your agency in maintaining compliance with the CPT requirements of POST Regulation 1005.

I wish to thank Maria Vargas, Deborah Connick and Julie Eck for all of their assistance during my compliance check. If you have any questions or need any assistance please feel free to contact me by e mail at [jan.bullard@post.ca.gov](mailto:jan.bullard@post.ca.gov) or at (916) 227-0471.

Sincerely,
